BIKE RACKS FOR STONEHAM

Community Design Contest

The CDC is working on a campaign to purchase and install bike racks in key locations around Stoneham. We are calling for design entries for custom bike racks to be installed in or near Stoneham Square (town center). Creative designs for other locations will also be considered.

Designs should capture the spirit of our town and its citizens!

Contest Rules

- Open to Stoneham residents and people who work or volunteer in Stoneham.
- Entries will be accepted until July 31, 2018.
- All designs will be made public and voted on through an online poll.
- Entries can be sketches or computer-generated.
- Email your entry to: info@stonehamcdc.org, include Bike Rack Contest in subject line.
- Refer to <http://www.creativemetalworksllc.com> for ideas- designs for larger bike racks (8-10 bikes) and smaller racks will be considered.
- CDC reserves the right to modify design for feasibility of budget, site conditions or other circumstances.
- Questions- contact: info@stonehamcdc.org or 781-832-0049, ask for Mike or Jenny
