Board of Selectmen Affirms Stoneham Square Strategic Action Plan

In its April 25 meeting, the Board of Selectmen voted to affirm its support for the Stoneham Square Strategic Action Plan that was adopted by residents in 2014.

Rachel Warren, president of the newly formed Stoneham CDC (Community Development Corporation) presented a brief summary of the plan's timeline, and a one-page grid showing the impressive progress made on the plan's recommendations. The plan's one-page progress report is attached here. [One-page progress report](#)

The Stoneham CDC is a nonprofit organization working with residents, the Town, and business leaders primarily located in the downtown area. The Chamber of Commerce's Merchants Group is a key collaborator with the Stoneham CDC.
